IRA Donation

There is good news if you have reached age 72 and you would like to help (your parish or school). If you have an IRA, the government requires you to take out a certain minimum amount each year and be subject to federal tax. However, this year the law allows you to donate this amount directly to (your parish) during 2024 and have it distributed free of federal income tax! It applies for the year 2025 as well! What a wonderful opportunity for those to help (your parish). Please call your tax consultant.
